

HOLROYD RANGE, GREYSTANES

Friday Evenings

The Range attendances just keep increasing.

Thanks to our dedicated crew of ROs, who just keep turning up each Friday Night. Thanks, John Simpson, John Olivieri, Andrew McNamara, Marlies Lovett, Grant Pitman, John Bullen and Justin Evers. Not only do the RO's turn up each week, but then also front up to assist with Range maintenance as well.

The Ranges continues to be well supported.

We also have a group of regular shooters who help clean and put things away when things get hectic- Thanks Guys and Gals

Our Monthly Licence Testing is booked out each month.

Try Shooting is extremely popular and on the increase

Well done shooters.

Sunday Evenings

Holroyd on a Sunday evening is magic. A great opportunity for beginners, serious competitors or plinkers to come along and shoot without a lot of noise and crowds of shooters. We do get quite a few Try Shooters come along on Sunday nights, and as its usually not overly busy our ROs are able to spend quite a bit of time ensuring they get a good introduction to the sport of shooting. Recently we've introduced an International Rimfire Benchrest League competition and numbers are slowly increasing.

We have club rifles available for the use of members and Safe Shooting tests can also be booked for Sundays.

Thanks for creating this friendly and enjoyable atmosphere must go to our small but dedicated crew of Range Officers. Thank you Jim Gale, Dave Docherty, Graham Lock, Marilyn Lock, Frank Gasparini, Leon Aroustian and Max Boros. I don't quite know how you do it, but you seem to coax the rawest of beginner shooters to produce such small groups.
