Please see Attached

Signed: [Signature] Date: 10-5-16

To SSAA (NSW) Sydney Branch,

I wish to submit my nomination for the position of Secretary at the 2016 AGM.

I am the current Secretary of the Branch and have been so since 2014. During this time I have really loved the position, representing the members, boosting the interest of women in the sport and helping build a positive public profile. I work professionally in Business Administration and so have come to enjoy looking after the committee members, taking minutes, creating the agenda, issuing notifications and all the endless work involved in running the Branch.

I joined the SSAA in 2012. For me personally, shooting is a sport and a game of skill and I regularly represent my club at district and State tournaments around NSW. I enjoy shooting a range of disciplines such as Service Pistol, WA1500, Classic Pistol, IPSC and Western Action. Working as a qualified and practicing dance instructor, I quickly found the physical and psychological skills required in competitive shooting shared much in common with competitive dancing.

During my time as Secretary my greatest achievement was creating the concept of a 'Mother's Day' try shooting promotion and successfully organizing and delivering it in 2015 at the Holroyd Range. We raised money for the McGrath Foundation and introduced many mothers and their daughters to the sport.

My current professional background includes:

- **Administration Officer:** at a large manufacturing firm in western-Sydney where I have responsibility for sales management, marketing and administration support for over 300 staff.
- **Qualified Classical Ballet Instructor:** at a local performing arts school where I have responsibility for training over 100 students and choreographing live performances.
- **Charity Co-Founder:** of the children's charity "Little Feet Big Steps" where I plan and promote a variety of fundraising events in collaboration with local hospitals.

I would like to continue to offer my services to the branch in event organizing, administration and the better representation of SSAA female members.

With thanks,

Marianne Taranto
